

Comprehensive Student Training Packet

Course 106

TDTSEA's Parent Taught Packet is a state approved programs correlated to the Texas Driver and Traffic Safety Education curriculum developed by the Texas Education Agency. It is a user-friendly, tactile program complete with all of the materials you will need for the entirety of the course, as it does not require internet connectivity or computer use. This packet includes:

- A Texas Specific Traffic Safety Education Student Manual (Textbook)
- A Student Workbook
- In-Car Manual for Behind-the-Wheel Lessons
- Study, Review & Chapter Quizzes (complete with an answer key)
- Lesson Plans (in binder-insert format) for: 32 hours of Classroom Lessons, 14 hours Supervised Behind-the-Wheel Instruction & Observation, key definitions found in the chapters of the DPS Handbook, the answers to the 84 questions in the back of the DPS Handbook, practice questions to aid in the preparation for the DPS test and an answer key for student exercises and quizzes
- Certificates of Completion for first 6 hours and full completion of the Course

parenttaught@esc6.net

All of these materials were developed by the Texas Driver Education instructors in response to parents asking for assistance. TDTSEA is a non-profit State Driver and Traffic Safety Education Association and is dedicated to helping promote traffic safety in the state of Texas.

TDTSEA is currently not set-up to accept credit/debit cards nor online or over-the-phone orders, so to order please mail your cashier's check or money order to:

TDTSEA
P.O. Box 1350
Huntsville, TX. 77342-1350

Be sure to include a **physical address** as we ship via UPS ground service. All materials are in-house; please allow **7-10 business days** once we physically receive your order for in-house processing and packaging. Orders will then be shipped via UPS ground service. Please note our location and that we do not receive all orders the same day they are "postmarked", as it depends on the distance you live from Huntsville.
